# **Bowel Tonic** For Old Folks

No matter how sound and healthy old people are they still suffer with their bowels. The machinery of the system doesn't work as it did when they were young and active. But while you can't restore youth you can help age to live nore pleasantly

more pleasantly

That a laxative is needed every little while by people as they get around fifty and beyond, there is no doubt, but it is important which laxative is taken. Old people, women and all, except those who are in the prime of life, should avoid anything that gives a shock to the system and which at best is but a temporary expedient. Among these are pills and cathartic tablets, saits and purgative waters. They are too strong and only dottemporary good. Not only that, but they really bind the bowels next day.

What you want is something that will regulate the bowels and again get them in the habit of performing a certain function at a certain time, while at the same time toning and strengthening, the muscles of the stomach and howels. Such a remedy is Dr. Caldwell's Syrup Pepsin, and if you have never used it let the doctor send you a sample bottle free of charge. In this way you can try it without cost. All druggists sell it at fifty cents and one dollar a bottle, and those who have used it will continue to buy it. It is pleasant to take, very effective and very economical as a household remedy, as all the family can use it. But Dr. Caldwell is eager to have all readers in acquainted with it to send for a free sample.

Caldwell is eager to have all readers unacquainted with it to send for a free sample.

Thousands of old people and heads of families are never without it, for in this way they cure and avoid constipation, liver trouble, indigestion, sour stomach, sick headache, sleepiness after eating, beiching and similar stomach, liver and bowel disturbances. Mrs. Tillie Homan, 404 Wautanga street, Knoxville Tenn, and T. H. Marshall, Nall, Okla, as well as thousands of others, attribute much of their present good health to this grand laxative tonic.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R-518 Caldwell building, Monticello, Ili.
